PARTICIPANT INFORMATION

Welcome to Connor's Run 2025!

Thanks for joining Connor's Run! As we enter Childhood Cancer Awareness Month, your support is helping us continue the fight. You're part of a movement that started in 2013, just months after we lost our beloved 18-year-old Connor to brain cancer. Whether you're running Your Way Any Day throughout September or with us on September 14 in Melbourne, your participation helps change the odds for young people. We couldn't do it without you!

SUPPORTING PAEDIATRIC BRAIN MATTERS IN THE AREAS OF RESEARCH, CARE & DEVELOPMENT

Through collaborations with research institutions in Australia, the US, and globally, we're bringing world-class research to Australia, helping to accelerate better treatment options around the world.

Through patient care support like music therapy, we help the heart sing so the mind can heal.

Inspiring the next generation of brain cancer practitioners and researchers through PhD and Fellow scholarships, travel grants, and awareness programs.

Change the odds for those facing brain cancer, the #1 cancer killer of young people.

An attack on the brain is an attack on the core of who we are. This is why brain tumours are so devastating.

Brain cancer is the most fatal of all childhood cancers. In the last twenty years, few new effective treatments have been discovered. 80% of children diagnosed with high grade tumours still lose their battle within 5 years.

At just 17 years of age, Robert 'Connor' Dawes was diagnosed with an ependymoma tumour. Connor's brilliant mind, strong body and gentle soul faced off against the disease, and like many others, his brains and brawn gave it all to fight against the poor odds but on April 20, 2013, Connor's 16 month battle ended.

Inspired by Connor's spirit of Aeternum Fortis, meaning Eternal Strength, the RCD Foundation was

created as a tribute to him and other brain tumour fighters.

THE BRAIN IS WHERE THE HEART LIVES

Current clinical treatments only help 50% of children but leave 90% with life long physical and mental impairments. This is why brain tumours are so devastating. But thanks to your awesome support of our events such as Connor's Run, you are helping change these odds.

YOUR WAY ANY DAY

Can't make it to our Melbourne event?

No worries! Embrace the spirit of
Connor's Run Your Way Any Day
throughout September. Channel your
inner Connor with your own "I WILL"
affirmation. Just like Connor did in his
yoga class with his "I WILL be Awesome"
mantra, create your own personal
statement for strength and motivation.

120,000 Step Challenge!

Now, it's time to move. Take on a challenge of any kind: run, walk, roll, hop, skip, jump, dance – the possibilities are endless!

Feeling extra ambitious? Join our 120,000 Step Challenge! Starting September 14th. challenge yourself to take 120,000 steps in 12 days, for the 120 kids (under 12 years of age) who are diagnosed with brain cancer each year in Australia. Complete the challenge and log your steps on your fundraising page for a chance to win a Garmin Forerunner watch valued at \$299!*

Whether you choose the step challenge, create your own fitness adventure, or join in any way you can, make it awesome! Every step, every move you make makes a difference in the fight against childhood brain cancer.

Remember: Your ticket for our one day event also includes admission to Your Way Any Day, so everyone can now have ALL of September to help us make BRAINS MATTER!

WEAR IT Share it TAG US

We are very excited to share our 2025 tee with you! Wear it with pride as you participate in your version of Connor's Run, in September and beyond! We love seeing our awesome participants in our tees, so remember to tag us in your selfies. And if you're doing Connor's Run Your Way Any Day, tag us with your 'I will' commitment also.

T-shirt Recycling is back!

Our participants love their Connor's Run tees, but we understand that you may wish to keep your favourites and recycle others, especially if you have limited storage space.

We are proud to once again partner with Textile Recyclers Group (TRG), who will be providing recycling bins on Connor's Run event day at the 18.8km Hampton start, the 9.6km St Kilda start, and the finish for you to drop off your old Connor's Run tees, free of charge.

These tees will be kept out of landfill and made into yarn for re-use in the textile industry!

EVENT DAY INFORMATION

To ensure you're fully prepared for the big day, here's some Very Important Event Info you need to know:

EVENT ENTRY

Remember to take your Connor's Run T-shirt and bib with you on the day. It is a requirement that you wear these on the Run, and your bib will be your ticket into the event. If you don't have safety pins at home to pin your bib to your T-shirt, these will be available at each start.

There will be a limited bag drop available at each start, but we ask you to please bring as little as possible with you, and that you BYO bag.

KEEPING YOU SAFE

Please remember to write your I.C.E (In Case of Emergency) contact name and phone number on the back of your bib. For more information on Event Entry and Safety please visit connorsrun.com/fags

START TIMES

Please make sure you arrive at least 30 minutes before your start time to enjoy warm ups, temporary tattoos and to fill out your 'I will' affirmation.

I Will ...

Every year since the very first Connor's Run, we ask participants to write an 'I WILL' affirmation on their bibs. This goes back to when Connor had rehabilitation from his brain tumour treatments with his yoga therapist Patricia. During one of the sessions, Patricia instructed Connor through an affirmation. She told Connor to make a commitment to do 'something', whatever Connor wanted that to be. She told him it should start with 'I WILL…' and gave examples: 'I Will enjoy my time with my family.' 'I Will work on improving my right side.' She told Connor to quietly meditate on his affirmation and that he could share it with her or keep it to himself. Without hesitation Connor said,

"I will be awesome!"

We encourage all participants to pledge their 'I WILL' in memory of Connor's own awesome spirit. What will you commit to in September? Will you keep it simple, or take on a new challenge in 2025? Whether you're doing Connor's Run Your Way Any Day, or joining our More Fun Than Run on September 14, all we ask is that you make it awesome. This year, our friends at Sharpie have generously donated pens to all participants, perfect for writing your 'I WILL'.

THE PROGRESS OF BRAIN MATTERS

\$20M+ raised With an additional

\$11M sourced for the cause

It began on April 20 2013, when Connor passed away from an ependymoma tumour at just 18 years old. Two months later we'd started the foundation. With just a logo, Facebook page and vision, we embarked on making brains matter.

GLOBAL COLLABORATION

The Robert Connor Dawes Foundation, established in both Australia and the USA is partnering with renowned paediatric brain cancer research labs and consortia around the world, including those in the Hopp Children's Tumor Center Heidelberg (KiTZ) and German Cancer Research Center (DKFZ), Sick Kids Toronto, University of Cambridge, University of Michigan, the Collaborative Ependymoma Research Network (CERN), Children's Brain Tumour Network (CBTN) and DIPG Collaborate.

Connor's Run is our largest fundraising event of the year and we greatly appreciate any and all donations. You can continue fundraising after you've received this run kit as we monitor fundraising all throughout September and will provide you with any additional rewards you've earned at as you achieve them. For any perks enquiries, please contact info@connorsrun.com
